You're at Home, with NZ Quality

## Bring Your Windows to Life

### Enhance Privacy, Security, Warmth and UV Protection

Kiwiblinds have a wide range of Kiwi made Interior Blinds at appealing prices for both household and commercial environments. Whether it's for the Kitchen, Bedroom(s), Living Area(s), or General Business Premises, we have extensive product lines to choose from, for a practical, stylish and effective solution.

Without expensive shop fronts, branding and mass media advertising costs, Kiwiblinds are able to pass those savings onto you with a decisive edge on general market price.

We can provide free samples and in most areas of NZ we have associate measure and installation professionals who can assist on site at your home or business premises.

Kiwiblinds can accommodate a range of payment options including interest free terms on qualifying orders. Quality assured warranties apply on all Kiwiblinds products and workmanship, with free delivery to residential zoned addresses.

View our website for a wide range of product, fabric and colour options.
